### Think of the possibilities . . . . .

- ❖ **Computer Assistance.** Introduce children to the many creative uses of the computer
- ❖ **Chaperones.** Accompany children on group trips
- ❖ **Kids Club.** Plan a monthly fun activity or class for children 8 ó 14. Kids Club meets on Thursdays.
- ❖ **Snacks.** Snack to be served at SEDCP activities for the children.

### *Holiday Needs*

*The holiday season is fast approaching. It is the time when families come together to pray, play and to build those family traditions that are so important in building healthy families. Here are the highlights of our holiday outreach. More detailed information will follow. Please help us to brighten the holidays of the less fortunate.*

### *Thanksgiving Baskets*

*Each year we assist our families in need by providing a box of food purchased from the SHARE Food Network. Please consider sponsoring one.*

### *Christmas*

*Although we know the real reason for "The Season" a child's expectations are still there. Please consider adopting a family, a child, donating a toy or money to go toward our Santa's Toy Shop.*

# Southeast White House Volunteer Needs

## Prayer Breakfast

Each Tuesday morning at 8:00 a.m. the SEWH has a Prayer Breakfast that is attended by a diverse group from all over the Washington metropolitan area. They come together for fellowship and prayer. There is a need for volunteers to help in the preparation, serving or clean up of this meal.

## Community Lunch

Every 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of the month the SEWH host a Community Lunch at 12:30. This is a time for friends, colleagues, supporters, neighbors and community leaders to come together to fellowship and share information. Please help us to continue to make this meal a success by volunteering your assistance in cooking and/or serving a meal.

## Web Page

The Southeast White House is in need of someone to help in the maintenance and expansion of their web page. The hope for the web page is that it will be able to give a clear and concise picture of the SEWH and all of its programs.

*If you can only volunteer once a month or for a designated time it would be appreciated*

# Volunteer Mentoring Volunteer Needs

## Mentors

The Volunteer Mentoring Program is always in the need of new mentors. Mentors make an incredible impact in the life of a child. Please share this request with your friends, family, or colleagues that might be interested in this unique opportunity.

## Administrative Support

Volunteer your administrative skills for a half a day, a day, week or for a project. Let us know if you have the gift of administration and are willing to share this with us.
